Crisis of the Late Middle Ages - Wikipedia
The Crisis of the Late Middle Ages was a series of events in the fourteenth and fifteenth centuries that ended centuries of European stability. Three major crises led to radical changes in all areas of society: demographic collapse, political instabilities and religious upheavals. The Great Famine of 1315–1317 and Black Death of 1347–1351 reduced the population perhaps by half or more as

The Suez Crisis (1956)
By Peter L. Hahn. In July 1956, the international order was disrupted by the Suez Crisis, a complicated imbroglio marked by the intersection of European decolonization, the Arab-Israeli conflict, the Cold War, and the growth of U.S. power. The emergency culminated in October, with a war in Egypt that briefly threatened hostilities on a global scale. The crisis began on July 26, when Egyptian

Ten tips for leading companies out of crisis | McKinsey
1/3/2014 · 6. Treat every turnaround like a crisis. Without a crisis mind-set, you get a stable company’s response to change: risk is to be avoided, and incrementalism takes over. Your workers are asked to do a little more (or the same) with less. More aggressive ideas will be analyzed ad nauseam, and the implementation will be slow and methodical.
